

*Dear Newcomer.*

The IS<sup>3</sup> society would like to welcome you at your new work environment. This society for PhDs and Postdocs is aiming to promote social events, inter-group collaboration and to provide a point of contact for both PhDs and Postdocs.

Throughout the year we have planned regular fun events such as BBQs, ping pong competitions and bake sales and we also organise informal seminars every month with free food. You will usually receive emails about the events and seminars, but you can also access our website (<http://isss-society.eps.hw.ac.uk/>) or follow us on Twitter (@ISSS\_Society) and Facebook (<https://www.facebook.com/ISSS.Society/>) for more information. To be added to the email lists, please send us an email (is27@hw.ac.uk) specifying your name and whether you are a PhD or RA.

Yours

*The IS<sup>3</sup> -Team*
